

04-06 June 2026

India Expo Mart & Centre  
Greater Noida, U.P., India

International Exhibition on Agricultural Tools, Machinery, Equipment, Technology, Agricultural Products Processing Technology, Storage and Innovative Farming Solutions.

**THEME:** Farming Future -High-Tech Tools in Agriculture-  
“From Tradition to Transformation: Empowering the Future of Indian Agriculture”

Organizers

# FARMER INDIA EXPO 2026

**Farming's Future: High-Tech Tools in Agriculture**

## ABOUT THE EVENT

### A National Platform for Next-Generation Farming

**Farmer India Expo** is dedicated to transforming agriculture through innovation, technology and modern farming solutions. Organized by Indian Exhibition Services (IES), the event brings together farmers, agri-tech companies, equipment manufacturers, startups, researchers, financial institutions and government bodies on one powerful platform to shape the future of Indian farming.

The exhibition will showcase the latest advancements in precision agriculture, drones and remote sensing, AI-driven crop intelligence, smart irrigation, protected cultivation, advanced machinery, bio-inputs, post-harvest solutions and sustainable farming technologies. With live demonstrations, interactive pavilions and hands-on training sessions, the Expo offers farmers a rare opportunity to explore practical tools, compare products and learn how to adopt new technologies affordably and effectively.

As agriculture continues to play a central role in India's economy—supporting millions of livelihoods, driving rural development and ensuring national food security—the need for high-tech, resilient and efficient farming practices has never been greater. Farmer India Expo creates a vital bridge between innovation and grassroots adoption, helping farmers improve productivity, reduce input costs, enhance crop quality and access new market opportunities.

The event also serves as a catalyst for collaboration, connecting agribusinesses, startups, investors and policymakers to launch pilots, partnerships and scalable models that can uplift the entire value chain. By enabling knowledge exchange, showcasing breakthrough solutions and promoting inclusive growth, Farmer India Expo 2026 stands as a game-changing platform for the advancement of India's agriculture sector. Join us as we bring together the nation's best minds, technologies and opportunities to build a smarter, sustainable and future-ready farming ecosystem for India.

## EVENT HIGHLIGHTS

The Farmer India Expo 2026 will feature a diverse range of activities, including:

- **EXHIBITION:** Display of products, equipment, and technologies from leading national and international brands.
- **AGRTECH INNOVATION CONFERENCE:** Knowledge sessions, expert talks, and panel discussions on future trends and challenges in agriculture.
- **LIVE DEMONSTRATIONS:** On-site demonstrations of machinery, drones, smart tools, and precision farming technologies.
- **STARTUP PAVILION:** A dedicated space for agri-startups to present innovative solutions and connect with investors.
- **AWARDS & RECOGNITION:** Honouring excellence and innovation in agriculture, agri-business, and rural development.

## WHO SHOULD ATTEND?

- Farmers
- Agribusiness professionals
- Agritech innovators
- Machinery & equipment manufacturers
- Input suppliers & crop science companies
- Banking, insurance & fintech players
- Government departments & extension officers
- Research institutions & universities

## WHY PARTICIPATE?

### For Industry Members

- Meet thousands of progressive farmers
- Launch new products & gain market visibility
- Engage with government organizations
- Build dealer and distribution networks
- Understand real-time market needs

### For Farmers

- Learn about modern tools & cost-saving solutions
- Gain access to training, demos & expert guidance
- Discover better seeds, inputs & equipment
- Connect with buyers, suppliers & institutions
- Increase productivity and profitability

## A MULTI-TRACK CONFERENCE COVERING

- Precision & climate-resilient farming
- Sustainable soil & water practices
- Farm mechanization & automation
- Market linkages & value-chain development
- Digital agriculture, fintech & agri-policy insights

## B2B & B2F NETWORKING HUB

- Dealer, distributor & importer meetings
- Startup innovation zone
- Government scheme showcase
- Collaboration opportunities for pilot projects

## FARMER-CENTRIC PROGRAMS

- Practical demonstrations
- Skill-building workshops
- Interaction with manufacturers, startups & researchers
- Technical support & advisory services

## EXHIBITOR CATEGORIES

### Farm Machinery & Equipment

- Tractors & Mini Tractors
- Harvesters & Combine Harvesters
- Power Tillers & Cultivators
- Rotavators, Seed Drills, Planters
- Sprayers (Manual, Battery, High-Tech)
- Small & Smart Farm Implements
- Farm Automation Tools & Robotics

### Drones, Robotics & Smart Automation

- Agriculture Drones (Spraying, Mapping, Surveillance)
- Drone Services & Training Providers
- Robotic Weeders & Harvesters
- Autonomous Vehicles & Driverless Systems
- Smart Automation Platforms for Farms

### Precision Farming & Digital Agriculture

- IoT Devices, Sensors & Smart Monitoring Systems
- Farm Data Analytics & AI Solutions
- Remote Sensing & Satellite-Based Tools
- Weather Forecasting Systems
- Mobile Apps for Farmers
- Decision Support Systems (DSS)

### Irrigation & Water Management

- Drip & Micro-Sprinkler Systems
- Automated Irrigation Systems
- Water Pumps & Solar Pumps
- Rainwater Harvesting Solutions
- Irrigation Controllers & Flow Sensors
- Water Testing & Quality Systems

### Seeds, Crop Inputs & Biotechnology

- High-Yielding Hybrid Seeds
- Organic & Bio-Fertilizers
- Soil Conditioners & Growth Promoters
- Crop Protection Products
- Bio-Pesticides & Bio-Stimulants
- Biotechnology Innovations for Agriculture

### Greenhouse, Protected Cultivation & High-Value Farming

- Polyhouses, Net Houses & Shade Structures
- Hydroponics, Aeroponics & Vertical Farming Solutions
- Climate Control Systems
- Nursery Equipment & Propagation Solutions
- LED Grow Lights & Automation Panels

### Post-Harvest, Storage & Processing Technologies

- Cold Storage & Cold Chain Logistics
- Warehousing & Bulk Storage Systems
- Sorting, Grading & Packing Machines
- Drying, Milling & Processing Units
- Packaging Materials & Innovations
- Farm Produce Handling Solutions

### Agri Logistics, Supply Chain & Market Linkages

- Transport & Handling Equipment
- Commodity Management Platforms
- FPO & Cooperative Solutions
- Market Access Platforms & Digital Mandis
- E-commerce & Farm-to-Fork Solutions

### Agri-Finance, Banking & Insurance

- Agricultural Loans & Subsidy Schemes
- Crop Insurance & Weather Insurance
- Agri-Fintech Innovations
- Digital Payment Platforms
- Farmer Credit & Kisan Cards

### Renewable Energy & Sustainable Farming Solutions

- Solar Panels, Solar Pumps & Systems
- Bioenergy, Biogas & Biomass Solutions
- Sustainable Inputs & Eco-Friendly Products

- Waste-to-Wealth Technologies
- Carbon Farming & Sustainability Tools

### Government Departments, R&D Institutions & Extension Agencies

- State Agriculture Departments
- ICAR Institutes & Krishi Vigyan Kendras (KVKs)
- Universities & Agri Colleges
- Government Schemes & Initiatives Showcase
- Training & Extension Services
- Technology Transfer & Innovation Desks

### Agritech Startups & Innovation Zone

- Early-Stage Agri Innovations
- Digital Advisory Platforms
- Startup Pitch Zones
- Investor Connect Platforms
- Incubator & Accelerator Programs

### FPOs, Farmer Groups & Cooperatives

- FPO Showcases
- Cooperative Societies
- Contract Farming Companies
- Farmer Producer Companies
- Networking Zone

### Allied Industries & Support Services

- Lab Testing Equipment (Soil, Water, Crop)
- Safety Equipment & Farm Protection Solutions
- Rural Development Organizations
- NGOs & Social Enterprises
- Training & Skill Development Institutes

# CONCURRENT EVENTS AND FOCUS EXPO'S PAVILIONS

## CROP 2026

International Conference on increasing Crop Productivity through use of best farming technology with the conference Theme: Technology Trends & Innovations in Farming.

## FARMER CONNECT 2026

B2C, B2B, B2F and B2G -One to One Meet with Farmers Federations, Central and State Government agencies, Banks, Policy Makers, with the focus dialogue for Doubling farmers income and increase in farmer's crop productivity, export promotion guidance, awareness about Govt. welfare schemes.

## FARMER INDIA AWARD 2026

Farmer India Award 2026 is presented to recognize individuals, organizations, and innovators who have made outstanding contributions to the agriculture sector. This award honours excellence in modern farming practices, sustainable agriculture, Agri-technology, productivity enhancement and rural development.

## AGRICULTURE DRONE SHOW

A dedicated Agriculture Drone Show (ADS 2026) will be organized during the Farmer India Expo to educate, motivate the farmers about the use and Benefits of Agriculture Drones in Precision Farming.

## FOCUS EXPO'S PAVILIONS DURING FARMER INDIA EXPO

● Food and Technology Expo

● Fruits and Vegetable Expo

● Animal Husbandry Expo

● Expo Mart Flower Show

# FARMER INDIA AWARD 2026

**Farmer India Awards** is presented to recognize individuals, organizations, and innovators who have made outstanding contributions to the agriculture sector. This award honours excellence in modern farming practices, sustainable agriculture, Agri-technology, productivity enhancement, and rural development.

It acknowledges dedication, innovation, and leadership that have positively impacted farmers, improved food security, and promoted environmentally responsible agricultural growth. The award serves as a symbol of appreciation and an inspiration to advance the future of agriculture.

## AWARD CATEGORIES

### FARMER & FARMING EXCELLENCE

- Farmer of the Year
- Progressive Farmer Award
- Young Farmer Excellence Award
- Women in Agriculture Award
- Small & Marginal Farmer Excellence Award

### SUSTAINABILITY & INNOVATION

- Sustainable Agriculture Excellence Award
- Organic Farming Excellence Award
- Climate-Smart Agriculture Award
- Natural Farming Excellence Award
- Water Conservation in Agriculture Award

### TECHNOLOGY & MECHANIZATION

- Agri Innovation of the Year
- Agri Technology Excellence Award
- Farm Mechanization Excellence Award
- Smart Farming / Precision Agriculture Award
- Drone Technology in Agriculture Award

### CROP & PRODUCTIVITY EXCELLENCE

- High Yield Crop Excellence Award
- Best Horticulture Practices Award
- Best Seed Technology Award

- Soil Health Management Excellence Award
- Irrigation Management Excellence Award

### AGRIBUSINESS & INDUSTRY

- Agribusiness Excellence Award
- Agri Startup of the Year
- Agri Processing Excellence Award
- Agri Export Excellence Award
- Supply Chain & Logistics Excellence Award

### SOCIAL IMPACT & RURAL DEVELOPMENT

- Farmer Welfare Initiative Award
- Rural Development Excellence Award
- FPO / Cooperative Excellence Award
- CSR in Agriculture Award
- Agri Education & Training Excellence Award

### SPECIAL RECOGNITION

- Lifetime Achievement in Agriculture
- Leadership Excellence in Agriculture
- Outstanding Contribution to Indian Agriculture
- Innovation for Farmer Empowerment Award
- Best Government / Institutional Initiative in Agriculture

# ABOUT ORGANIZERS

## INDIAN EXHIBITION SERVICES (IES)

Indian Exhibition Services (IES) is a leading Exhibition organizing company in India. That has been involved for the last several years in trade promotion activities like exhibitions, seminar & conferences, buyer seller meets in India and abroad. IES major initiatives are Sport India Expo, Fitness India, Rehab India Expo, Sport India Conference, Sports Goods Manufacturers Forum, Sport India Infrastructure Summit, Sport India Fashion Show, World Environment Expo, Greenovation – International Green Building Technology Expo, Biodegradable Expo, World Environment Conference, EV India Expo, E- Charge Forum, India Buildtech, Gas India Expo, NGV India Expo, World Gas Summit etc.

IES is engaged in national and international trade promotion and provide business platform to the corporates, industrialist, and small-scale industry to promote their products through the buyer seller meets & trade exhibitions with the aim to create a bridge between buyers and suppliers.

## INDIAN TRADE FAIR ACADEMY

ITFA is a registered and non-profit trade association with the main objectives to promote exports of Indian MSMEs, providing business platform to medium and small scale industry on national and International level, Research & Industry Development, Trade Promotion, Event Management, organizing national and international b2b & b2c Exhibitions and also specific education in exhibition management.

ITFA is engaged in the promotion of export of MSMEs in various sectors for last several years and providing platform to the small scale industry to promote their products through the buyer seller meet, national and international trade exhibitions with continuously the aim to create a bridge between buyers and suppliers.
